

To All People Around the World,

Please send your prayers of love and gratitude to water at the nuclear plants in Fukushima, Japan!

...

By the massive earthquakes of Magnitude 9 and surreal massive tsunamis, more than 10,000 people are still missing...even now... It has been 16 days already since the disaster happened. What makes it worse is that water at the reactors of Fukushima Nuclear Plants started to leak, and it's contaminating the ocean, air and water molecule of surrounding areas.

Human wisdom has not been able to do much to solve the problem, but we are only trying to cool down the anger of radioactive materials in the reactors by discharging water to them.

Is there really nothing else to do?

I think there is. During over twenty year research of hado measuring and water crystal photographic technology, I have been witnessing that water can turn positive when it receives pure vibration of human prayer no matter how far away it is.

Energy formula of Albert Einstein,  $E=MC^2$  really means that Energy = number of people and the square of people's consciousness.

Now is the time to understand the true meaning. Let us all join the prayer ceremony as fellow citizens of the planet earth. I would like to ask all people, not just in Japan, but all around the world to please help us to find a way out the crisis of this planet!!

The prayer procedure is as follows.

Day and Time:

March 31st, 2011 (Thursday)

12:00 noon in each time zone

Please say the following phrase:

"The water of Fukushima Nuclear Plant,  
we are sorry to make you suffer.

Please forgive us. We thank you, and we love you."

Please say it aloud or in your mind. Repeat it three times as you put your hands together in a prayer position. Please offer your sincere prayer.

Thank you very much from my heart.

With love and gratitude,

Masaru Emoto
